ASAD ALI

MERN Stack Developer

Email: asadalibest1@gmail.com
Phone: 0318-103-8402
Address: Hanif SRE, PNS Karsaz, Karachi.
Age: 20
GitHub: github.com/asadalibest1

GOALS AND OBJECTIVE

Extremely excited and looking for the internship of React or JavaScript. To work with an encouraging and stable company that assist me in improving and enhancing my skills at a high level by working in the professional environment with the team of professionals in order to become the best web developer as possible.

EXPERTISE/SKILLS

Front-End: HTML5 & CSS3   JavaScript/ES6   Bootstrap   React JS
Adobe Photoshop   Adobe Flash   Dreamweaver

Back-End: Node JS/Express JS   MongoDB (Learning)

Others: Microsoft office   Visual Basic   Linux(ubuntu)   Docker   Kubernetes

EXPERIENCE AND STATUS

- ✓ Working on front-end and back-end widgets.
- ✓ Successfully completed *MERN STACK DEVELOPMENT* between the year 2019 - 20, and improved skills such as HTML5, CSS3, React JS and Node/Express JS etc.
- ✓ Worked on Assignments/Projects in which I created a lots of web application, most of them are Todo List App(React.js), Bathbed Collection (a static website HTML,CSS,JS), Quizzer (HTML,CSS,JS), Todo App(JS), Html Forms and much more.
- ✓ I completed C.I.T short course in 2013 and achieve good familiarity with the basics of IT and graphic designing, Photoshop makes my life easy and able me to design images and logos by my own.
- ✓ Also make my holidays worthy by joining Cloud Native Computing short course and become familiar with Linux(ubuntu), Docker and Kubernetes.
- ✓ In React I learned to use deferent libraries with React such as react-routing, react-axios, react-redux, react- bootstrap, firebase and further practice is going on.
